Subject: Addressing SAFE Issues

Reference: [] letter to you dated
24 June 1981, same subject (SAF-E434-81)

Dear Bob:

I have reviewed [] letter with him at length and you should know that I share his concerns. We appreciate your recent moves to involve yourself personally in the analysis of SAFE's problems and solutions and intend only to assist you in that effort.

I will be following [] analysis of the development process closely and look forward to reviewing it with you in our future meetings.

Sincerely,

/s/ Bruce T. Johnson
